

**Director-Ripon Medical Center  
Inpatient Services  
Ripon, WI**

***Experience the difference and join our team!***

**Position Summary**

Lead, manage and evaluate to continuously provide for/improve quality, cost effectiveness, & satisfaction. Responsible for administration and adherence to all standards and regulatory requirements.

**Company Description**

Join a compassionate and caring team at Ripon Medical Center, a member of Agnesian HealthCare, for this exciting opportunity to lead the inpatient nursing team at this 25-bed critical access hospital.

For the past two years, our team at Ripon Medical Center has been enjoying a new, state-of-the-art facility that brings the latest technology and patient care design that allows the greatest efficiencies that offers simply the best services. Being part of a larger healthcare system allows Ripon Medical Center the opportunity to provide as many services and programs at the local level, offering a diversified provider base from primary care providers (family and internal medicine) to specialists in such areas as cancer care, dermatology, interventional cardiology, nephrology, obstetrics/gynecology, orthopedics, otolaryngology, plastic surgery, podiatry, pulmonology and urology.

Ripon Medical Center officially began its journey toward a Pathway to Excellence™ designation by the American Nurses Credentialing Center (ANCC). Ripon Medical Center understands the importance of a soothing environment to facilitate healing. That's why the new Ripon Medical Center features walls of windows, subdued lighting, a color palette inspired by nature (think soft tans and sage greens), an indoor water wall, meditation room and space for a healing garden. Emergency care and urgent care services are available 24-hours-a-day, seven-days-a-week through highly-qualified physicians and nurses in the Emergency Department.
