

**Clinical Manager, Emergency Services
La Crosse, WI**

If you are looking for a place to work where superior healthcare changes lives and communities, consider Gundersen Health System!

POSITION SUMMARY

Provides management and oversee the delivery of services in the Emergency Services (ES) department. Has direct responsibility to plan, organize, direct, coordinate and evaluate the day-to-day activities of the department to ensure quality, regulatory compliance and efficiency. The ES Clinical Manager also works collaboratively with the Medical Director, Administrative Director, other leaders and staff to achieve strategic goals.

COMPANY DESCRIPTION

Gundersen Health System is where caring meets excellence through a comprehensive health network of wholly owned and affiliated services. It's where nationally recognized quality meets dedicated, compassionate professionals, caring for patients in all stages of life.

And we bring that care as close to you as possible, with regional clinics, affiliated hospitals, eye clinics, nursing homes and more. Many of our highly trained specialists provide outreach services throughout the Tri-state Region, in person and via telemedicine. Specialists are also able to quickly consult with their colleagues, system wide, share medical records and tests, and together provide a level of care that repeatedly distinguishes us as among the top five percent of healthcare organizations in the country.

Quality emergency care begins near home too, with regional emergency departments and air and ground ambulances integrated with heart and stroke protocols to expedite treatment and improve outcomes.
