

Emergency Services Nurse Manager

Aspirus Langlade Hospital is seeking an energetic, innovative change leader to join our Leadership team and lead our Emergency Services & Walk In Departments. Join a team committed to Clinical Excellence and Patient Safety in an environment supporting professional governance, and lead a progressive and patient-centered Emergency Services department with nearly 11,200 patient visits and 13,000 Walk-In visits annually.

To qualify, applicants must be a graduate from a school of nursing and currently licensed to practice nursing in the State of Wisconsin. Bachelor of Nursing degree or equivalent is required. Minimum of three to five years as a staff nurse, with three years of emergency nursing preferred. A minimum of one year Nursing leadership and/or supervisory experience required. Current BLS Certification required. TNCC, ENPC, and CEN desirable.

Aspirus Langlade Hospital is a state of the art 23-bed critical access, Joint Commission-accredited Catholic hospital. Aspirus Langlade Hospital is a progressive and trusted healthcare leader dedicated to improving the health of all those it serves and to providing excellent, compassionate and cost effective care.

Competitive wage and benefit package to include health, dental and vision insurance, flexible benefit plan, life insurance, pension, tax sheltered annuity, child care center, wellness program, PTO, short term disability, etc. Enthusiastic candidates can apply online at www.aspirus.org or for more information contact:
