

Manager, Surgical Services

HSHS St. Nicholas Hospital, Sheboygan WI

Your **spiritual** side has special value here.

Mission and values at Hospital Sisters Health System: "To reveal and embody Christ's healing love for all people through our high quality Franciscan health care ministry."

At Hospital Sisters Health System, we believe that being a faith-based organization is part of our unique strength. Our Franciscan tradition and values serve as our roadmap, leading us into the future and reinforcing a vision of care that balances technology with compassion and spirituality.

While we provide the most advanced medical care available, we know that a holistic approach must treat mind, body and spirit – and we encourage our colleagues to think the same way. You will find it enriching to be able to share your personal and professional sides, in an environment where diversity is encouraged and belief is celebrated.

We also consider it vital to inspire you – and all of our colleagues – to perform to your highest capabilities. By creating a place where everyone is committed to our collective success and puts forth a powerful effort, we develop long-term careers and extend our reputation as an exceptional place to work.
