

SSMHealth

SSM Health Vice President Patient Care Services-CNO Baraboo, WI

The Opportunity

SSM Health Vice President of Patient Care Services-CNO at St. Clare Hospital in Baraboo, Wisconsin is responsible for the strategic development and implementation of a culture of patient safety, standardization of clinical operations and care processes throughout the hospital. This highly autonomous role provides oversight for all clinical service areas including strategic planning in accordance with the philosophy and mission of SSM Health Care.

This executive position reports to the President of St. Clare Hospital-Baraboo with indirect relationships with both regional and system CNO leadership. This is an excellent opportunity for an experienced nursing leader that is passionate about nursing and nursing development to expand their breadth of leadership scope within a hospital setting. Join a collaborative executive leadership team that is focused on enhancing professional development for staff, maintaining the highest patient care quality, and elevating clinical outcomes.

.

Requirements:

- Bachelor's in Nursing and Master's degree in Nursing, Business or Healthcare Administration
- Current unrestricted or ability to obtain a current unrestricted license as a registered nurse in WI
- Minimum of three years nursing leadership experience

The Benefits

Comprehensive benefit package exclusively designed for executive leadership such as immediate vacation time, retirement account with match, salary continuation, and company paid life insurance are just a few of the generous extras above and beyond the standard medical, dental, and vision insurance offerings.
